

Fire In The Hole Barbeque 2008

Saturday, July 5th, 2008

Plan on coming? Please help us determine how many will be attending this year. This year, July 4th falls on a Friday. If you are planning to camp, you can come on that day, however the Celebration will be on Saturday the 5th (Dinner 6PM, Display 10PM). Also, we are asking for your help in putting the "Display" together this year, financially. We would never charge for anything, however due to shortages this year and rising costs, we are asking for donations. Thanks, and may this be the best year yet!
